EARLY START AUTHORIZATION FOR INTERIOR ALTERATIONS

JOB ADDRESS _____

LOCATION OF WORK _____

COMPANY NAME _____

CONTACT PERSON _____ PHONE # _____

RELATED PERMIT APPLICATION # _____

LOG # _____ DATE _____

Construction work under an early start authorization is limited to work up to the rough-in stage and no work may be concealed. Inspections will not be made for any work performed under an early start authorization until permits for the work are issued.

All work done under an early start authorization will be performed at the applicant's risk. The Division of Building Inspection is under no obligation to approve work performed under an early start authorization not conforming to Part Thirteen-Building code. The Division of Building Inspection or City of Toledo shall not be held liable for any damages associated with issuance of an early start authorization, wherein work does not conform to Part Thirteen-Building Code.

Valid until permit is issued for work or ninety (90) days after issuance, whichever is first.

Signature of Applicant _____
