Swimming Pools Requirements

In General

A permit is required for in-ground and a registration is required for above-ground pools.

Site drawings are required with application showing: street address, site location, dimensions from lot lines and other structures, and the scale of drawing.

Pools may not be located beneath overhead electrical service wiring.

Pools are generally located in a rear yard but are allowed in a side yard if setback requirements can be met and the pool does not project to within 3' of the required front yard setback line.

Electrical permit is required by owner/occupant or electrical contractor for wiring - Minimum \$40 plus 1% residential state surcharge or 3% commercial state surcharge.

Pool construction can be done by the owner of the property or a licensed home improvement and remodeling contractor. Contact this office for information on license.

Where a wall of a dwelling serves as part of a barrier, one of the following must be met: 1) Pool equipped with powered safety cover, or 2) Doors with direct access to pool shall have an automatic alarm system, or 3) Doors with direct access to pool must be self-closing with self-latching devices.

Portable Above Ground Pools

- A minimum of 3 feet from property lines.
- Surrounded by a minimum 4' high (barrier) fence unless the side is at least 4 feet high and ladders are removed or locked up when not in use.
- Pool decks, if no higher than 3 feet, shall be at least two feet from adjacent side lot. If higher than 3 feet, the required side yard of 3 feet must be maintained.
- A separate permit is required for construction of a deck with the minimum fee of \$35.00. Detailed construction drawings are required along with the site drawings. Registration fee of \$20 for the above-ground pool.
- An electrical permit may be required if installing any new wiring at a minimum fee of \$40.

Residential In-ground Pools

- Health Department approval required (419 213-4100)
- Must be a minimum of 8 feet from property lines.
- Must be surrounded by a minimum 4' high (barrier) fence.
- Permit fee is \$35 base fee plus \$.05 per gross sq ft.
- Separate pool bonding permits required - \$50 fee.
