

2009 Preliminary Leaf Collection Schedule and Status

(Schedule is subject to change and is dependant on the weather.)

Updated: 10/23/2009 4:04 PM

Depending on weather, leaf collection is tentatively scheduled to start November 2, 2009 as shown below. We will begin leaf pick-up in zip 43613. We will not be returning to zip codes that have been completed. To reduce costs it is important that we remain on schedule. Please have your leaves raked to the curb (or place bags) within two days prior to the scheduled leaf pick-up.

*** Citizens are encouraged to mulch the leaves and use them in their yards and gardens. Mulched leaves add significant nutrients back into the yard and make excellent compost for use in the garden. If you are bagging the leaves, you can put significantly more leaves in the bag if the leaves are mulched first. Please use brown paper bags only and place no other debris or garbage with the leaves.**
